TransCanada Keystone Pipeline Project

Started moving pipe through our R.M.
roughly end of June. Finished up by
September 19, 2012

Secured a bond that covered extra
maintenance costs that contributed to
the haul.

Pioneer Truck Lines moved **300 km** of pipe to the Shaunavon and Piapot sites. It took **1500** loads, each pipe measuring **36** in diameter and **80** feet long.

TransCanada Keystone donated \$5,000.00 to Autumn House
